

Mighty Fein.

Fein ASCM 12 C 12V 4-Speed Cordless Drill/Driver

- ✓ Brushless PowerDrive Motor
- ✓ Maintenance-Free
- ✓ Solid Metal Quick Change Chuck
- ✓ Multiple Torque Settings
- ✓ 4-Speed Solid Metal Gearbox
- ✓ Compact

The ASCM 12 C is the highest performance cordless drill/driver. Equipped with a brushless motor, 4-speed metal gearbox, and producing 350+ in lb torque, this is an impressive drill and even more so when you consider the chuck is removable exposing the built in 1/4" hex chuck making it extremely compact. The ASCM 12 C comes loaded with features including a belt clip, bright LED light and magnetic bit holder.

With 4-speed gearing this tool suits a broad range of applications, enabling the user to drill 6 mm holes in metal in 4th gear at 2500 rpm, or to cut threads efficiently in 1st gear. Other speeds are optimal for self-drilling screws and working with step drills.

The 3.0 Ah battery has capacity for up to 450 screw applications (5 x 40 mm) and is protected with Fein's SafetyCell technology - guarding the battery and machine from overloading, overheating and deep discharge. The Li-ion battery features a convenient on-board battery charge indicator.

A well-optioned mighty powerhouse in a compact durable body!

THE FEIN ASCM 12 C PROVIDES UNCOMPROMISING POWER IN A DURABLE, LIGHTWEIGHT AND COMPACT BODY. THIS CORDLESS 12V DRILL/DRIVER EXERTS 40 N·m OF TORQUE FROM ITS BRUSHLESS FEIN POWERDRIVE MOTOR THROUGH A SOLID METAL 4-SPEED GEARBOX. PUT THE POWER AT YOUR FINGERTIPS.

Optional quick change driver bit holder for 1/4" hex bits

4-speed gear box and 20 torque settings plus drill mode

Battery capacity is easy to read

Solid metal quick change drill chuck
