## XPB

The smart  
multi functional tool

Ergonomic  
Modular  
Intelligent

More Than Productivity

XPB

XPB - THE FUTURE OF AEROSPACE MANUAL OPERATIONS

The aerospace world is transforming from the design phase to the production shopfloor. **Robotic solutions, digitalized instructions, augmented reality** are now used on a daily in all the aerospace plants worldwide.

Aerospace players deserve the **most advanced technologies**, and are looking at solutions to **increase their flexibility, up-time & productivity**. As aerospace experts, Desoutter & Seti-Tec have designed a platform taking manual operation to an advanced level while **satisfying today's and tomorrow's most demanding challenges**.

Discover how to **accelerate your transformation**.

**MULTI-APPLICATIONS HEADS\***  
Wide range of heads covering various applications  
Automatic head recognition with RFID technology  
Fully customizable heads

**OPERATOR FEEDBACK\***  
Integrated smart lighting  
LED flash for alerts  
Bright drilling area

**FULL SPEED COVERAGE\***  
Full drilling speed range available in a single tool for all aerospace materials

**SMART TRIGGER**  
Adjust drilling speed to material

**ERGONOMY – HEALTH & SAFETY**  
Perfect balance  
Ergonomic handle  
Low sound levels

**DISPLAY SCREEN**  
Easily selection of speed  
Operator feedback (error messages...)

**CYCLE COUNTER**  
Get control over your tool maintenance & cutting tool lifetime

**GO ELECTRIC**  
High performance Desoutter standard batteries  
2 battery positions for accessibility reasons

\* Depending on model

## XPB - THE MULTI FUNCTION BATTERY TOOL

### TOOL RANGE

#### XPB

- Drilling applications only
- Speeds adjustable via software

+ Options

#### XPB ADVANCED

- Drilling applications only
- Display screen
- Up to 6 drilling cycles

+ Options

#### XPB MODULAR

- Multi applications
- Automatic cycle selection via RFID technology

### MODULARITY

#### DRILLING

Straight head

All drilling heads

All Offset heads

HCU heads

#### WIDE RANGE OF TEMPORARY FASTENERS HEADS\*

#### FRANGIBLE COLLARS

\* Other heads available, please contact your Desoutter representative

### SOFTWARE

**Easy connectivity and user-friendly interface**  
Made for fast tool setup, cycle creation and access to curves.

Full service & support offer

### BOOST YOUR FLEXIBILITY

#### GO electric

- No need for heavy air network installation
- No more air hose - Full freedom of movement for the operator

#### Modular system

- One tool to cover various applications
- Wide range of heads managed with Quick change RFID system

### BOOST YOUR UP TIME

#### Optimized maintenance

- Cutting tool lifetime management
- Tool & head maintenance management

#### SMART ready

- Optional Wifi module for integration in smart factory
- Open architecture

### BOOST YOUR PRODUCTIVITY

#### Secure quality of your operation & error-proof your process

- Constant drilling speed
- Operator feedback
- Various smart drilling options

#### Reduce Health & safe issues

- No more tripping on air hose
- Low sound levels
