

Bruske Brooms

Indestructible.

- ✓ Miracle Tip Steel Handle
- ✓ Unique Steel Broom Head
- ✓ Non-Shed Bristles
- ✓ Two Sweeping Edges
- ✓ Lightweight
- ✓ Large Size and Bristle Range

The Bruske broom is the ultimate sweeping tool...absolutely perfect for heavyweight and lightweight needs, indoors or outdoors on any surface. Bruske is an indestructible floor broom you can depend on. Bruske brooms are constructed with the finest bristle material which is extremely durable and not affected by acid, alkaline, solvent, grease, oil or water. The two rows of bristles with no middle row are essentially two sweeping edges and eliminate any collection of debris. Bruske's famous all steel, bolt-on "Miracle Tip" handle eliminates all handle breakage and thread stripping problems normally associated with ordinary floor brooms.

BRUSKE BROOMS FROM APPLIFAST KEEP ON SWEEPING AS A NEW BROOM BECAUSE THE BRISTLE MATERIAL MAINTAINS ITS SHAPE AND NEVER SAGS OR MATS IN WET OR DRY CONDITIONS. THE "MIRACLE TIP" STEEL HANDLE WILL NOT BREAK OR LOOSEN.

Blue series - fine flagged bristle for sawdust, fine powder and dirt on smooth or slightly rough surfaces. Not intended for oily or greasy areas.

Black series - medium bristle for dry, wet or oily indoor and outdoor conditions.

Brown series - coarse bristle for extra rough floors. Unsurpassed for heavy refuse, snow or scrubbing.

Bruske Green Buddy Broom

Fine Green Flagged Bristle Bruske Poly Cap Broom™

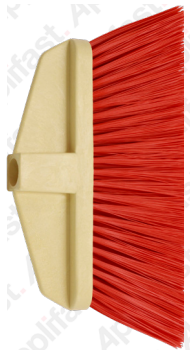

This broom is small in size yet offers superior sweeping and is totally unaffected by grease, water or oil. Suitable for every industrial/commercial sweeping application where a small broom is needed. Ideal for use on smooth indoor surfaces and stairwells.

Bruske Blue Warehouse Broom

Medium Blue Flagged Bristle Bruske Poly Cap Broom™

Specifically designed for sweeping rugged indoor surfaces in any application. This broom, with its large sweeping flare, is ideal for general sweeping in factories, warehouses, food processing plants, and chemical plants. Includes 54" Wood Handle.

Bruske Red Yard Broom

Medium Orange Unflagged Bristle Bruske Poly Cap Broom™

Made for rugged chores on indoor or outdoor surfaces, as well as for use with trash removal. It's the perfect replacement for the old-fashioned corn broom.

LIGHT DUTY POLY CAP BRUSKE BROOMS™ - MADE WITH 100% SOFT SYNTHETIC BRISTLES SET INTO A DURABLE MOLDED PLASTIC BASE. THE MOLDED PLASTIC BASE AND THE REMOVABLE VINYL-COVERED OR WOOD HANDLE PROVIDE LONG LIFE. INDOOR LIGHT DUTY POLY CAP BRUSKE BROOMS™ ARE MOST EFFECTIVE IN FOOD PLANTS, HOSPITALS, COLLEGES OR INDUSTRIAL ENVIRONMENTS WHERE FINE DUST HAS TO BE SWEEPED UP.
