

Huck® BV4500

Designed and built for Huck Fasteners

Huck Range Battery-Powered Installation Tool

A portable powerhouse for multiple applications and industries. Huck Fastening Systems brings you industry-leading performance with the latest advancement in adjustable force installation tooling using battery power from Makita®.

The new Huck Range Force™ Battery Tool* has an electronically adjustable pull force and long stroke to enable installation of structural and non-structural rivets and up to 1/4" two-piece HuckBolt® fasteners.**

Installation of 3/8" two-piece Huck BobTail® fasteners when used with nose adapter.

- ✓ Electronically adjustable pull force control for BobTail
- ✓ High pull force and long stroke
- ✓ Cross-compatibility with other Makita 18V batteries
- ✓ Designed for common Huck installation Nose Assemblies
- ✓ Installation of structural 3/16" & 1/4" blind rivets
- ✓ Installation of 1/4" two-piece HuckBolt fasteners
- ✓ Quick charge recharger
- ✓ Maintenance free brushless motor
- ✓ One trigger pull per fastener

Along with an 18V 5.0 Ah Batteries and Charger, this cordless rivet tool is a force to be reckoned with in portability, reliability, and versatility.

SPECIFICATIONS:

Capacity: 3/16" (4.8 mm) - 1/4" (6.4 mm)

Stroke Length: 1.18" (30 mm)

Pulling Force: Adjustable up to 4,500 lbs (20 kN)

Weight: 4.8 lbs with 1.5 Ah Battery
5.5 lbs with 5 Ah Battery

Battery Pack: 18V 5.0 Ah Batteries and Charger

Recharge Time: Approximately 45 minutes

* The Huck Range Force is a Lockbolt / Blind Rivet Installation Tool.
** Excludes 1/4" BOM.

Battery Charge Indicator

Robust Nose Adapter

Sturdy Belt Clip

Bright LED Work Lights

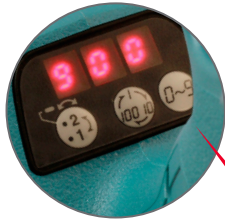

Nose Assembly exchange is quick and easy

Nose Assemblies can rotate for access when necessary

Bright LED worklights

Impact resistant body

Adjustable pull force from 0 to 4500 lbf (for BobTail® fasteners only)

Quick release mandrel collection bottle attributes to a safe and tidy production area

Sturdy belt clip to keep your tool within reach

Comfort grip is designed with ergonomics in mind to increase endurance and personal comfort for all-day use

Lightweight and powerful Li-Ion 18V 5.0 Ah battery
